

## ATHLETICS UNIFORM RETURN POLICY

At Cornerstone Classical Academy, we are committed to ensuring that our athletes have the best experience possible. To maintain our standards and provide a seamless process for our athletes and families, we have established the following uniform return policy.

### 1. Uniform Return Period

- All uniforms must be returned within **two weeks** following the conclusion of the sports season.
- Uniforms should be clean and in good condition upon return.

### 2. Return Process

- Uniforms can be returned to the school front office in a Ziploc bag with the athlete's name and sport clearly indicated.

### 3. Condition of Uniforms

- Uniforms must be free from excessive wear, stains, or damage. Normal wear is expected, but any significant issues may result in a charge.
- Please inspect uniforms for any missing parts (e.g., jerseys, shorts, socks) before returning.

### 4. Late Returns

- Uniforms returned after the two-week period will incur a **late fee** of \$25.
- Uniforms not returned within **30 days** after the deadline will result in a replacement.

### 5. Replacement Fees

- Replacement fees for lost or irreparably damaged uniforms will be assessed based on the current market price of the uniform.
- Families will be invoiced for any replacement fees and will need to settle these before the athlete can participate in future sports seasons.

### 6. Contact Information

- For any questions or concerns regarding the uniform return process, please contact the athletics office at [athletics@cornerstoneclassical.org](mailto:athletics@cornerstoneclassical.org).

### 7. Acknowledgment

- By participating in Cornerstone Classical Academy athletics, families agree to adhere to this uniform return policy.

Thank you for your cooperation and support in maintaining our athletics program!
